

Refunds

Refunds will be given, less 25% for administration fees up to the registration deadline of October 14th, 2011. After this date refunds will only be given in the event of emergency such as: death in family, personal injury, illness with physician's letter (not written by you). No other refunds will be made.
Bad checks or charges: There will be a \$50.00 fee to cover expenses of returned checks or refused credit card charges. Please be aware of this as we cannot cover these bank service fees.

Registration Reminders

Please register on time in order to get early registration course fee. There will be no exceptions to the late registration fee. Register early as checks are not cashed nor are charges applied until after the seminar. Supplies and printing have to be ordered and completed in advance of seminar. Leave a message and if no one is in we will get back with you and confirm registration.

Pre-requisites

Current license to practice medicine: ND, MD, DO, NP, PA
Student at accredited medical school: ND, MD, DO

Course Schedule

EDTA seminar schedule

Monday

8:30-9:00 Registration

9:00-9:30 Introduction: History and what is chelation therapy?

9:30-10:45 Mechanism of action of EDTA

10:45-11:15 Toxicology of EDTA

11:15-11:30 Break

11:30-12:30 Side effects of EDTA

12:30-1:30 Lunch

1:30-2:00 Osmolarity and pH

2:00-3:00 EDTA indications – Who is likely to benefit? EDTA contraindications

3:00-3:15 Break

3:15-4:15 Preliminary requirements for Chelation therapy

Optional testing

Effects and benefits of the IV EDTA protocol

Frequency of IV chelation therapy

4:15-5:15 Office procedures and related documentation

Tuesday

9:00-9:30 Specific Contraindications and Cautions for Chelation Therapy

Preliminary Requirements for Chelation Therapy
Pharmacology perspective

Heavy Metal Testing

Optional Tests and Procedures

Pharmacology of the components of Chelation Formulas

11:00-11:15 Break

11:15-12:30 Physiology and Pharmacology of Remineralization and other supportive therapies during Chelation Therapy

12:30 – 1:30 PM Lunch

1:30 – 3:00 PM

Effects and Benefits pharmacology of the EDTA IV Formula

Frequency of Chelation Therapy

3:00-3:30

Office Procedures and Related Documentation

Patient Management Issues

Cost of Care References and Resources

Review question and answers

3:30 – 3:45 Break

3:45 – 5:00 Certification Exam

Space is limited...so register today!
Visit www.ivnutritionaltherapy.com for more Information including CEU approvals and discount code for attending both seminars

HSNP members may also contact their association for the code.

Lectures for this seminar:

Paul Anderson, ND

Virginia Osborne ND

Chelation Seminar for physicians who are well educated in the nutritional, naturopathic or alternative approach to health care. Designed after the ACAM/IBSCT but with a greater perspective, the next step up to understanding EDTA and the chelation process

Our 2-day seminar is designed for Naturopathic Doctors, Medical Doctors, Osteopathic Doctors, Registered Nurses, Medical Students and other interested medical professionals.

IV Nutritional Therapy for Physicians (IVNTP) has presented seminars in Arizona, California, Connecticut, New Hampshire, Oregon, Washington and Ontario, Canada. Our instructors have between 11 and 15 years teaching experience and the combined IV administration experience is in excess of 40 years.

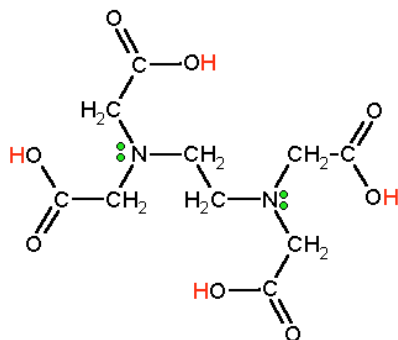

For additional information regarding IVNTP please visit:
www.ivnutritionaltherapy.com

Highly Recommended Reading

- Protocol for the Safe and Effective Administration of EDTA and Other Chelating Agents
- A Collection of Published Papers on the Efficacy of EDTA Chelation Therapy
- The Scientific Basis of EDTA Chelation Therapy, 2nd Edition, Halstead and Rozema
- A Textbook on EDTA Chelation Therapy, Elmer Cranton

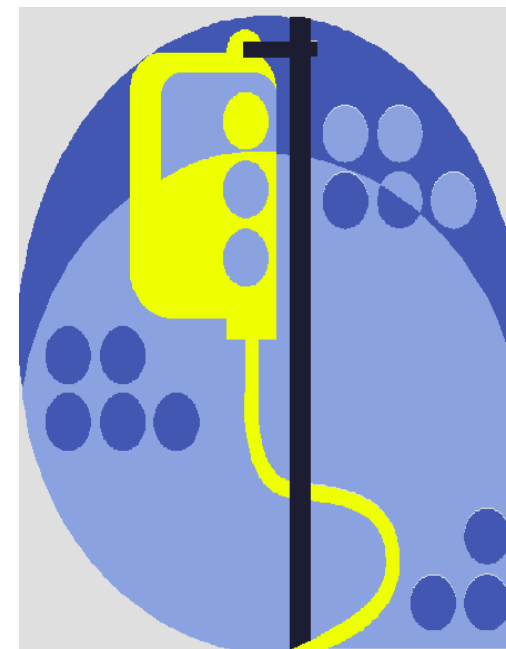

Purchase from: ACAM's eStore at
www.acam.org

Continuing Medical Education Credit
This two day workshop is normally approved for 12 hours of CE credit.
