Meet the Instructors

Dan Carter N.D.

Dr. Carter has been in practice since 1994 and was a full-time faculty member at National College of Naturopathic Medicine from 1996-2003. He created the I.V. services department at NCNM Natural Health Centers where he was a clinical supervisor. He is currently in private practice in Bozeman, Montana. drdc001@gmail.com

Virginia Osborne N.D.

Dr. Osborne has practiced since 1995 in Colorado, Montana and Oregon, and has 25 years of I.V. related experience. She is a part-time faculty member at National College of Naturopathic Medicine. Her position is academic and clinical supervisor of I.V. therapy. Concurrently she is in private practice in Tigard, OR. IVnutritionaltherapy@gmail.com

Denise Burnham RPh.

Denise Burnham RPh. has been a pharmacist for over 17 years and spent about 10 years working as an inpatient pharmacist at Oregon Health Sciences University Hospital; one year as the transplant clinical specialist and one year as the assistant drug information specialist. One year as a research clinician for a company that makes medical devices. Attended special training classes for compounding and compounded for a medical clinic for 1 year and has owned a compounding pharmacy for over 7 years. www.creative-compounds.com

Paul Anderson N.D.

Dr. Paul Anderson is currently core faculty at Bastyr University in the School of Naturopathic Medicine where he teaches IV therapy and other diagnostic courses. He also supervises the IV therapy rotations at Bastyr's clinic, and is adjunct faculty at other naturopathic programs and nursing schools. His IV experience spans over twenty years in both naturopathic and conventional medical applications.
